EXTENSION SOCKET & POWER MULTIPLIER

Code	Item	Rate Per Pc.	Pkg
HK-22U	EXTENSION SOCKET	960.00	05

Max. Voltage 250V~ | Max. Current 10Amps | Max. Load 2500W

Travellers Recommend | 2.1A Channels for USB Charger

1M wire length fold Around

- The internal terminal is made of high-quality phosphor and shaped by punching. It is free from oxidation, has high elasticity co-efficient and is not distorted easily.
- Adaptable to standard plugs of all countries.
- Indicator lamp structure.

Code	Item	Rate Per Pc.	Pkg
HK-854	POWER MULTIPLIER	681.00	05

1.5 meter heavy duty power cord to extend your power source in any environment

Converts a single outlet into 4 grounded sockets with safety shutter

Auto current limit — Over current protection built in to stop abnormal use automatically

Power indicator lets you know your extension socket is functioning properly

Child resistant safety covers

Safety covers prevent abnormal use that might lead to electric shock

Highly effcient conductor structure

Highly efficient conductor design allows larger current with minimal temperature rise

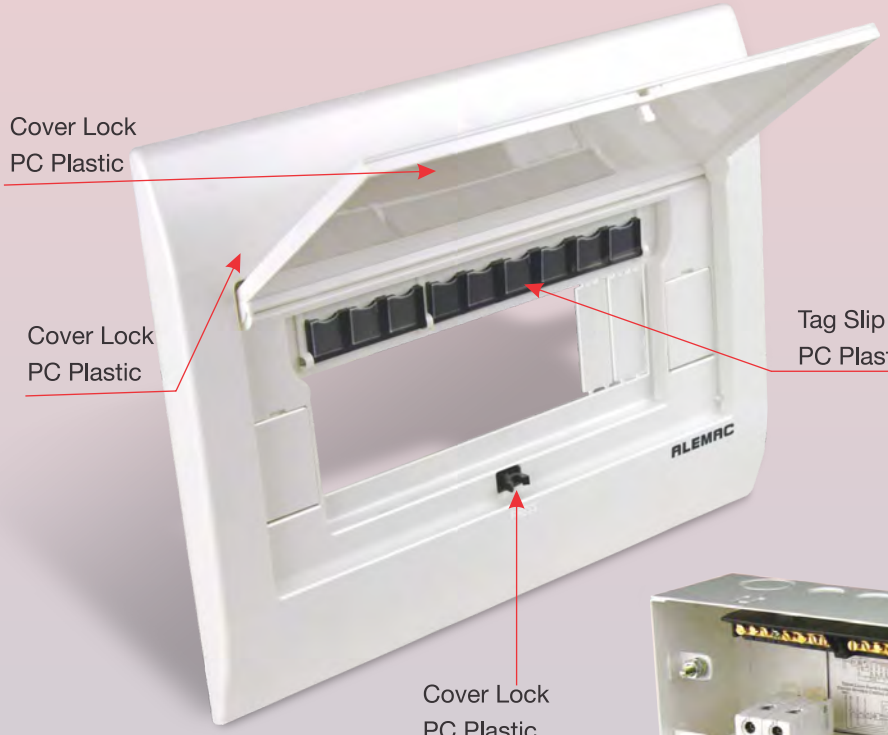
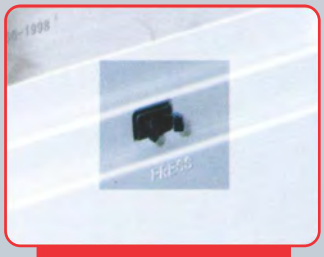
PRODUCT

V8 SERIES
DISTRIBUTION BOXES





Automatic Opening

It adopts the new function of automatic opening and closing by pressing, which is easy and convenient.

Easy Wiring

Movable guide rail plate can be put out of the box for wiring, unlimited by the space within the box. The panel can be adjusted to a level position with an ellipse hole in the guide rail plate, which betters its appearance.

Easy Adjustment

Innovated function of adjustment enables the distribution box to adjust the height freely within a range from installation depth to the outside wall, which can be 20mm deep at the most. The newly added guide rail balance bar can keep the solid plate in a vertical installation.

Easy Identification

The unique printed display of circuit breaker control makes the wiring structure clear, as well as easy connection, search and maintenance.
